of the Role of the Organization**

Working Group: Maintenance of International Peace and Security

21 February 2024-New York

Mr. Chair;

On behalf of the Non-Aligned Movement, I would like to reiterate the position of the Non-Aligned Movement expressed in its general statement delivered yesterday. We wish to request that this position be reflected in the final report of the Special Committee.

The Non-Aligned Movement recalls the revised proposal by Libya on the Strengthening of the Role of United Nations in the maintenance of international peace and security. We look forward to further meaningful, result-based deliberation and discussion on these proposals.

Thank you.
