### MEXICO : Draft resolution

The Second United Nations Conference on the Law of the Sea,

Considering that, whatever the result of the Conference, its records will be of the utmost value for the correct interpretation of its work;

Recalling the statement made by the Representative of the Secretary-General at the second plenary meeting of the Conference concerning the possibility and cost of publishing the complete text of the statements made at the Conference in the original in a trilingual record, produced from the sound recordings and the texts of speeches as supplied, in most cases, by delegations;

Recommends to the General Assembly of the United Nations that at its fifteenth regular session it approve the necessary budget appropriations for the publication, in the form described above, of a complete verbatim record of the discussions at the Second United Nations Conference on the Law of the Sea.
