I. Introduction

1. At its 1st meeting on 20 June 1974, the General Committee considered a memorandum by the Secretary-General (A/CONF.62/BUR/1) relating to the organization of the second session of the Conference and the allocation of items. An account of the discussion will appear in the summary record (A/CONF.62/BUR/SR.1).

II. Organization of the session*Schedule of meetings*

2. At the suggestion of the Secretary-General, the General Committee recommends to the Conference the following arrangements relating to the schedule of meetings: (a) Plenary and Committee meetings should begin at 10.30 a.m. and 3 p.m.; (b) a five-day working week should be established, on the understanding that meetings on Saturdays, as well as night meetings, may be scheduled if necessary.

3. In this connexion, the General Committee wishes to stress the need for punctuality in opening meetings and to draw the Conference's attention to the text of rule 21 of the draft rules of procedure (A/CONF.62/2 and Add.1-3), whereby the President of the Conference or the Chairman of a Main Committee may declare a meeting open and permit the debate to proceed when at least one third of the members are present.

General statements

4. In view of the interest expressed by delegations in having time allotted for general statements, as indicated by the Secretary-General, the General Committee wishes to make the following recommendations: (a) that the Conference should begin hearing general statements immediately after the adoption of the rules of procedure, and for a period not exceeding six days; (b) that delegations wishing to make general statements to the plenary should hand in their names to the Executive Secretary by 26 June, and that the list of such speakers be closed at 6 p.m. on that date; (c) that representatives should speak in the order of their inscription on the list of speakers, on the understanding that those prevented from doing so should normally be moved to the end of the list, unless they have arranged to change places with other representatives.

5. The General Committee wishes to recommend further that the Conference consider additional ways in which to ensure that as much time as possible is devoted to the discussion of concrete issues in the Main Committees. It is recommended accordingly, that the Conference consider scheduling extra meetings, as indicated in paragraph 2, and concurrent meetings of one or more Main Committees during that period. Finally, it is suggested that the Plenary appeal to delegations to restrict the length of their general statements as much as possible.

Closing date of the session

6. In accordance with paragraph 4 of General Assembly resolution 3067 (XXVIII), the closing date of the Conference will be Thursday, 29 August 1974.

7. The General Committee took note of the seating arrangements to be observed in the Plenary and in the Main Committees.
