

XI. CUBA²²

1. PENAL CODE²³

Section VII of Chapter II, Title I:

Article 106

Anyone who, with the aim of affecting the security of the State, manufactures, provides, sells, transports, delivers, brings into the country or has in his possession, in any form and anywhere, flammable, explosive, asphyxiating or toxic substances or instruments, chemical or biological agents, or any other elements which when combined may give rise to products of the nature described, or any other, similar substance or artefact designed to produce effects of the nature described in articles 104 and 105, shall be subject to a penalty of 10 to 20 years' imprisonment, or death.

Article 107

1. Anyone who, for the purpose of affecting the security of the State, carries out an act against the life, physical integrity, liberty or personal security of a leader of the Communist Party of Cuba, the State or the Government, or against members of his family, shall be subject to a penalty of 10 to 20 years' imprisonment, or death.

2. If the act is aimed at destroying or seriously damaging property at the disposal of the persons referred to in the preceding paragraph, the penalty shall be one to eight years' imprisonment, unless any of the circumstances referred to in article 105 are also present, in which case the applicable penalty shall be as provided for in that article.

Article 108

Anyone who, for the purpose of affecting the security of the State, adulterates food or other types of substances or products intended for public consumption, so that they become capable of causing death or serious health disorders, shall be subject to a penalty of 10 to 20 years' imprisonment, or death.
