TEXT OF ARTICLE 81

The trusteeship agreement shall in each case include the terms under which the trust territory will be administered and designate the authority which will exercise the administration of the trust territory. Such authority, hereinafter called the administering authority, may be one or more states or the Organization itself.

NOTE

The previous study of this Article in the Repertory deals exclusively with issues which arose during the discussion of proposed Trusteeship Agreements. Since no further Trusteeship Agreements have been proposed during the period covered by the present study, there are no decisions requiring treatment under this Article.
