### PRIVILEGES AND IMMUNITIES (INTERNATIONAL ORGANIZATIONS) ACT<sup>1</sup>

- (a) I.A.E.A. Research Coordination Meeting on Nuclear Techniques in Exploration and Exploitation of Natural Resources: Nuclear Borehole Logging Techniques for Determination of Rock Characteristics Privileges and Immunities Order, 1987<sup>2</sup>

P.C. 1987-2166 22 October, 1987

Her Excellency the Governor General in Council, on the recommendation of the Secretary of State for External Affairs, pursuant to section 3 of the Privileges and Immunities (International Organizations) Act, is pleased hereby to make the annexed Order respecting the privileges and immunities in Canada of the participants in the International Atomic Energy Agency Research Coordination Meeting on Nuclear Techniques in Exploration and Exploitation of Natural Resources: Nuclear Borehole Logging Techniques for the Determination of Rock Characteristics.

ORDER RESPECTING THE PRIVILEGES AND IMMUNITIES IN CANADA OF THE PARTICIPANTS IN THE INTERNATIONAL ATOMIC ENERGY AGENCY RESEARCH COORDINATION MEETING ON NUCLEAR TECHNIQUES IN EXPLORATION AND EXPLOITATION OF NATURAL RESOURCES: NUCLEAR BOREHOLE LOGGING TECHNIQUES FOR THE DETERMINATION OF ROCK CHARACTERISTICS

#### *Short Title*

1. This Order may be cited as the *I.A.E.A. Research Coordination Meeting on Nuclear Techniques in Exploration and Exploitation of Natural Resources: Nuclear Borehole Logging Techniques for the Determination of Rock Characteristics Privileges and Immunities Order, 1987*.

#### *Interpretation*

2. In this Order,  
“Convention” means the Convention on the Privileges and Immunities of the United Nations; (Convention)<sup>3</sup>

“experts performing missions for the Organization” means experts who are invited by the Organization to attend the Meeting; (*experts qui accomplissent des missions pour l’organisation*)

“Meeting” means the Research Coordination Meeting on Nuclear Techniques in Exploration and Exploitation of Natural Resources: Nuclear Borehole Logging Techniques for the Determination of Rock Characteristics, to be held by the Organization in Ottawa from 2 to 6 November 1987; (*réunion*)

“officials of the Organization” means all persons required to attend the Meeting on behalf of the Organization; (*fonctionnaires de l’organisation*)

“Organization” means the International Atomic Energy Agency (*organisation*)

#### *Privileges and Immunities*

3. (1) During the period beginning on 26 October 1987 and ending on 13 November 1987, the Organization shall have in Canada, to such extent as may be required for the exercise of its functions in Canada in relation to the Meeting, the privileges and immunities set forth in articles II and III of the Convention.

(2) During the period beginning on 26 October 1987 and ending on 13 November 1987, officials of the Organization shall have in Canada, to such extent as may be required for the exercise of their functions in Canada in relation to the Meeting, the privileges and immunities set forth in article V of the Convention.

(3) During the period beginning on 26 October 1987 and ending on 13 November 1987, experts performing missions for the Organization shall have in Canada, to such extent as may be required for the exercise of their functions in Canada in relation to the Meeting, the privileges and immunities set forth in article VI of the Convention.

(b) I.A.E.A. Consultants’ Meeting on Current Trends in Nuclear Borehole Logging Techniques for Elemental Analysis Privileges and Immunities Order, 1987<sup>4</sup>

P.C. 1987-2167 22 October 1987

Her Excellency the Governor General in Council, on the recommendation of the Secretary of State for External Affairs, pursuant to section 3 of the Privileges and Immunities (International Organizations) Act, is pleased hereby to make the annexed Order respecting the privileges and immunities in Canada of the participants in the International Atomic Energy Agency Consultants’ Meeting on Current Trends in Nuclear Borehole Logging Techniques for Elemental Analysis.

ORDER RESPECTING THE PRIVILEGES AND IMMUNITIES IN CANADA OF THE PARTICIPANTS IN THE INTERNATIONAL ATOMIC ENERGY AGENCY CONSULTANTS' MEETING ON CURRENT TRENDS IN NUCLEAR BOREHOLE LOGGING TECHNIQUES FOR ELEMENTAL ANALYSIS

*Short Title*

1. This Order may be cited as the *I.A.E.A. Consultants' Meeting on Current Trends in Nuclear Borehole Logging Techniques for Elemental Analysis Privileges and Immunities Order, 1987*.

*Interpretation*

2. In this Order,

"Convention" means the Convention on the Privileges and Immunities of the United Nations; (*Convention*)<sup>2</sup>

"experts performing missions for the Organization" means experts who are invited by the Organization to attend the Meeting; (*experts qui accomplissent des missions pour l'organisation*)

"Meeting" means the Consultants' Meeting on Current Trends in Nuclear Borehole Logging Techniques for Elemental Analysis, to be held by the Organization in Ottawa from 2 to 6 November 1987; (*réunion*)

"officials of the Organization" means all persons required to attend the Meeting on behalf of the Organization; (*fonctionnaires de l'organisation*)

"Organization" means the International Atomic Energy Agency. (*organisation*)

*Privileges and Immunities*

3. (1) During the period beginning on 26 October 1987 and ending on 13 November 1987, the Organization shall have in Canada, to such extent as may be required for the exercise of its functions in Canada in relation to the Meeting, the privileges and immunities set forth in articles II and III of the Convention.

(2) During the period beginning on 26 October 1987 and ending on 13 November 1987, officials of the Organization shall have in Canada, to such extent as may be required for the exercise of their functions in Canada in relation to the Meeting, the privileges and immunities set forth in article V of the Convention.

(3) During the period beginning on 26 October 1987 and ending on 13 November 1987, experts performing missions for the organization shall have in Canada, to such extent as may be required for the exercise of their functions in Canada in relation to the Meeting, the privileges and immunities set forth in article VI of the Convention.

(c) I.A.E.A. Advisory Group Meeting on New Nuclear Reactors Privileges and Immunities Order, 1987<sup>3</sup>

P.C. 1987-1064 28 May 1987

Her Excellency the Governor General in Council, on the recommendation of the Secretary of State for External Affairs, pursuant to section 3 of the Privileges

and Immunities (International Organizations) Act, is pleased hereby to make the annexed Order respecting the privileges and immunities in Canada of the participants in the International Atomic Energy Agency Advisory Group Meeting on New Nuclear Reactors.

ORDER RESPECTING THE PRIVILEGES AND IMMUNITIES IN CANADA OF THE PARTICIPANTS IN THE INTERNATIONAL ATOMIC ENERGY AGENCY ADVISORY GROUP MEETING ON NEW NUCLEAR REACTORS

*Short Title*

1. This Order may be cited as the *I.A.E.A. Advisory Group Meeting on New Nuclear Reactors Privileges and Immunities Order, 1987*.

*Interpretation*

2. In this Order,

“Convention” means the Convention on the Privileges and Immunities of the United Nations; (*Convention*)<sup>1</sup>

“experts performing missions for the Organization” means experts who are invited by the Organization to attend the Meeting; (*experts qui accomplissent des missions pour l'organisation*)

“Meeting” means the Advisory Group Meeting on New Nuclear Reactors, to be held by the Organization in Winnipeg from June 8 to 12, 1987; (*réunion*)

“officials of the Organization” means all persons required to attend the Meeting on behalf of the Organization; (*fonctionnaires de l'Organisation*)

“Organization” means the International Atomic Energy Agency. (*Organisation*)

*Privileges and Immunities*

3. (1) During the period beginning on 1 June 1987 and ending on 19 June 1987, officials of the Organization shall have in Canada, to such extent as may be required for the performance of their functions, the privileges and immunities set forth in article V of the Convention.

(2) During the period beginning on 1 June 1987 and ending on 19 June 1987, experts performing missions for the Organization shall have in Canada, to such extent as may be required for the performance of their functions, the privileges and immunities set forth in article VI of the Convention.
