ARTICLE 50

TEXT OF ARTICLE 50

If preventive or enforcement measures against any state are taken by the Security Council, any other state, whether a Member of the United Nations or not, which finds itself confronted with special economic problems arising from the carrying out of those measures shall have the right to consult the Security Council with regard to a solution of those problems.

NOTE

1. No decisions requiring treatment under this Article have been taken by the organs of the United Nations.

2. Article 50 has, however, been incidentally referred to in the General Assembly during the discussion of the agenda items entitled "United action for peace" 1/ and "Methods which might be used to maintain and strengthen international peace and security in accordance with the Purposes and Principles of the Charter". 2/ The Article was also referred to in the first and second reports 3/ of the Collective Measures Committee to the Security Council and to the General Assembly.
