ARTICLE 66 (1)

TEXT OF ARTICLE 66 (1)

The Economic and Social Council shall perform such functions as fall within its competence in connexion with the carrying out of the recommendations of the General Assembly.

NOTE

1. As pointed out in the Repertory\(^1\), Article 66 (1) deals principally with the action taken by the Council in relation to General Assembly decisions not specifically addressed to it or covering a wider field of responsibility than its own.

2. There has been no discussion of this paragraph of Article 66 in the period under review and no development in applying it which would require treatment in this Supplement.
