

ARTICLE 74

TEXT OF ARTICLE 74

Members of the United Nations also agree that their policy in respect of the territories to which this Chapter applies, no less than in respect of their metropolitan areas, must be based on the general principle of good-neighbourliness, due account being taken of the interests and well-being of the rest of the world, in social, economic and commercial matters.

NOTE

There were no decisions taken during the period under review specifically relating to Article 74. However, certain decisions recorded in this *Supplement* under Article 73 related to Chapter XI as a whole and consequently also involved Article 74.
