TEXT OF ARTICLE 88

The Trusteeship Council shall formulate a questionnaire on the political, economic, social, and educational advancement of the inhabitants of each trust territory, and the administering authority for each trust territory within the competence of the General Assembly shall make an annual report to the General Assembly upon the basis of such questionnaire.

NOTE

The Trusteeship Council, by its resolution No. 2200, dated 25 May 1994, decided to amend its rules of procedure to drop the obligation to hold annual sessions and agreed to meet as occasion required – by its decision or the decision of its President, or at the request of a majority of its members or the General Assembly or the Security Council,¹ and consequently ceased operating as of 1 November 1994. It did not adopt any special questionnaire during the period under review.
