TEXT OF ARTICLE 89

1. Each member of the Trusteeship Council shall have one vote.
2. Decisions of the Trusteeship Council shall be made by a majority of the members present and voting.

NOTE

The rules of procedure and the practices of the Trusteeship Council relating to voting were adopted by the Council at an early stage of its proceedings and were not subsequently changed. They are fully described in previous studies of this Article in the *Repertory* and its *Supplement No. 1*. Since they remained unchanged during the period under review, they require no further treatment in the present *Supplement*.
